

CONSCIOUS DISCIPLINE REFRESHER

Thursday, July 30, 2009 - 9:00 AM - 3:30 PM,

Please join us for a day to reflect back on our shared experiences using the principles of Conscious Discipline in our classrooms and planning for the 2009 - 2010 school year. This flyer is emailed to you because of your alumni status with Conscious Discipline trainings.

Our day will focus on reaffirming our understandings of the basic principles of Conscious Discipline and how to adhere to these principles in our classrooms and in our lives. There will be opportunities to share our successes and barriers with others and to meet as grade levels to problem solve how to best further our practices. We will try some role playing to practice our skills and have opportunities to debrief. New materials and adaptations of materials will be shared. For those of you ready to do parent workshops, I have new parent education resources from Loving Guidance.

If you plan to attend, take some digital pictures of your room now before school is out with Conscious Discipline related materials you may have created, use or employ. Send the photos to me and I will make a photo album for participants. Bring artifacts from which the group may benefit.

Please share this flyer with your Conscious Discipline colleagues. Email addresses change over time and this flyer may not have reached all intended participants.

Wishing you well, Mary Masson
